

## AMENDMENTS

### In the Specification:

On page 4 of the English translation, above "Description", please insert the following:

Figure 1 is a graph depicting the results of a comparison of treatment of tumors in mice with gene therapy (plasmids encoding DNA demethylase antisense) and chemotherapy (intramuscular injection of bleomycin).

Figure 2 is a graph depicting the effect on tumor growth of bleomycin alone compared with treatment with a combination of antisense and bleomycin.
